

Image and CTA Publishing Checklist

Smoke test 3 of 6

Use this downloadable checklist to confirm the published article shows the expected media and calls to action.

Check	Expected result
Hero image	A featured image appears at the top of the article.
Inline image	A second, distinct image appears inside the article body.
PDF CTA	The PDF download CTA is visible and uses a reader-safe link.
Non-PDF CTA	The consultation CTA is visible and points to the public contact page.
No raw blob key	The reader-facing PDF CTA does not display a storage blob key.
